

10/17/2022

Jerry and Team,

I wanted to send you a note of thanks and appreciation from the team here at US Aggregates. Through your thorough review you have found us significant savings on our utility cost.

We not only have received several refunds and know we will have future savings as well.

I would be happy to recommend you to potential clients if you have need of industry references.

Kind Regards,

Kristin Sweeney

A handwritten signature in cursive script that reads "Kristin Sweeney".
