HALVERSON and BLAISER GROUP, Ltd.

January 17, 2019

To Whom It May Concern:

SM Engineering has worked with the Halverson and Blaiser Group, LTD for over 25 years. Their assistance has been fundamental in analyzing, reducing costs, and informing us of available rebates for our gas, electric and water services.

Halverson and Blaiser group manages over 2,000 apartment homes and approximately 620,000 square feet of commercial real estate. For obvious reasons, we have worked with SM Engineering to keep a pulse on energy savings for our clients, investors and partners. SM Engineering is a valued vendor and contributor to our services to our clients, and therefore are highly recommended.

Sincerely,

Clinton T. Blaiser
