To Whom It May Concern;

If you are fortunate enough to be contacted by Mr. Michael James, or any representative from SM Engineering Co. Services do not hesitate to take a few minutes to forward them a copy of your current utility bill. We did, we met with Mr. James for a brief 15 minute meeting and within a few weeks we received a credit of \$18,000 towards our utility account.

We look forward to them researching future exemptions, benefits and credits on behalf of our Company that otherwise we were never aware existed.

Regards,
